https://github.com/bhawanacodes

I'm an ambitious and detail-oriented Web Developer with a strong foundation in both front-end and back-end development. Recently, I completed hands-on training and personal projects using modern technologies like HTML, CSS, JavaScript, PHP, Java, Python and Node.js. I'm a fast learner, collaborative team player, and creative problem solver who enjoys building clean, responsive, and user-friendly web applications. Eager to grow in a professional environment, contribute value, and continually expand my technical expertise.

Technical Skills

- **Web Technologies:** HTML, CSS, JavaScript (beginner),PHP, Git, GitHub
- **Tools & Platforms:** Visual Studio Code, Figma (beginner), Canva, Google Workspace
- **Soft Skills:** Communication, Time Management, Team Collaboration, Conflict Resolution
- **Typing Speed:** 80 WPM
- **Currently Learning:** React, Node.js, REST APIs
